**NOTICE INVITING SEALED PROPOSALS**  
Pursuant to statute and to Resolution of the City Council of the City of Torrance, California, directing this notice, said City Council hereby invites sealed proposals or bids for doing the following work in said city, to-wit:

That portions of Dominguez street from Cedar avenue to Madrid avenue.

Portions of Arlington avenue from 26th street to the produced North line of Tract No. 4986 per map Book 146 Page 85, Records of Los Angeles County, California.

Portions of Cedar avenue from the first alley south of Dominguez street to the produced north line of Tract No. 9901 per Map Book 137 Page 47, Records of Los Angeles County, California, and

That certain portions of certain Rights of Way across Lots B and F of Tract No. 1127 per Map Book 22 Pages 83-84, Records of Los Angeles County, California, and parcels of other lands within the produced lines of Cedar avenue and Arlington avenue.

Be graded and paved with two inch (2") Asphaltic Concrete (coarse aggregate) Wearing Surface laid on a five inch (5") Asphaltic Concrete base.

And also, that certain portions of Cedar avenue, within the above named limits, be improved by the construction thereon of a culvert and headwalls as shown and designated on the plans for said work.

Reference is hereby made to Resolution of intention No. 404 of said City Council declaring its intention to order said work to be done, for further particulars, which Resolution is on file in the office of the clerk of said City, and reference is hereby further made to the specifications for said work on file in the office of the City Clerk.

All proposals or bids shall be accompanied by a check payable to the City of Torrance, certified by a responsible bank for an amount which shall not be less than ten per cent of the aggregate of the proposal or by a bond for the said amount and so payable, signed by the bidder and two sureties, who shall justify, before any officer competent to administer an oath, in double the said amount, and over and above all statutory exemptions.

Said proposals or bids shall be delivered to the clerk of the said city on or before 8:00 o'clock P.M., on Tuesday, the 12th day of March, 1929, said time being not less than ten days from the time of the first publication and posting of this notice, on which day and hour all proposals or bids received will be publicly opened by said City Council.

Dated: February 27, 1929.  
A. H. BARTLETT,  
City Clerk of the City of Torrance, California.

**Parent-Teacher Tag Day, March 15**  
The Parent-Teacher Association will hold a Tag Day on March 15. This is the one day in which the association raises funds for their work with the school.

**Keep youth longer!**  
cleanse the system of poisons

Two of the great enemies to youth and vitality are delayed elimination and intestinal poisons. To keep yourself free from both these common difficulties will help you to stay young.

With the use of Nujol you can do it too. For Nujol absorbs body poisons and carries them off, preventing their absorption by the body. Nujol also softens the waste matter and brings about normal evacuation. It is harmless; contains no drugs or medicine. It won't cause gas or griping pains, or affect the stomach or kidneys. Every corner druggist has Nujol. Make sure you get the genuine. Look for the Nujol bottle with the label on the back that you can read right through the bottle. Don't delay, get Nujol today.

**ORDINANCE NO. 182 REGULATING THE MOVING OF BUILDINGS, ALLEYS AND PUBLIC WAYS IN THE CITY OF TORRANCE**

An ordinance regulating the moving of buildings or tanks upon public highways and other public places and prescribing regulations under which permits shall be issued for the moving of buildings or other structures thereon, within the city of Torrance, and declaring the violation of any of the provisions of this ordinance to be a misdemeanor and prescribing a punishment for such violation.

The City Council of the City of Torrance does ordain as follows:

Section 1. It shall be unlawful for any person, firm or corporation to move, or cause to be moved, any tank more than eight feet (8') in diameter or any building, or any section or portion of any building, over, upon, along or across any public highway, road, street, alley, or other public place, without first obtaining a permit in writing from the Street Superintendent or Building Inspector so to do, in the manner provided by this ordinance.

Section 2. Any person, firm or corporation desiring to move, or cause to be moved any building, or any section or portion of any building, or any tank more than eight feet (8') in diameter or across any public highway, road, street, alley, or other public place, shall first file a written application with the Street Superintendent or Building Inspector, specifying the kind of a tank, or building to be moved, the location of same, the location to which, and the route over, or along which such structure, and each section or portion of such structure, is to be moved, the number of sections in which the structure will be moved, and the time within which such removal will be completed. Upon the approval of such application by the Street Superintendent or Building Inspector after investigation of the route to be followed, he shall issue a permit or permits, for the moving of the tank or building, or the sections or portions thereof mentioned in such application, and shall designate the time within which such moving shall be done. Whenever any building is divided into two or more sections or portions, and is so moved over, upon, along or across any public place, a separate permit shall be issued for the moving of each section or portion of said building. Every such permit shall become null and void unless such removal shall be completed within the time specified in the application for such permit, provided, however, that the Building Inspector may extend such time when the moving of any building, or section or portion thereof, is prevented by reason of inclemency of the weather or other good and sufficient cause.

Section 3. It shall be the duty of any person, firm or corporation, to whom any permit is issued for the removal of any building, or any section or portion of any building, or any tank, pursuant to this ordinance, when required by the Street Superintendent or Building Inspector, to cause boards of sufficient strength to carry the load without breaking, to be placed under all of the rolls or wheels to serve as a runway for such rolls or wheels during the removal of such tank, building, or any section or portion thereof, along or across any public highway, road, street, alley, or other public place improved with macadam or concrete, and at no time shall such rolls or wheels be permitted to revolve except upon such board runway when the same is required by the Street Superintendent or Building Inspector. In case of damage to any public highway, road, street, alley, or other public place, or culvert, bridge, or guard fence, by reason of the moving of any tank, building or any section or portion thereof the Street Superintendent shall order such work done as may be necessary to restore such public highway, road, street, alley, or other public place, or such culvert, bridge or guard fence, to as good a condition as the same was prior to such damaging of the same, and shall charge the cost thereof to the person, firm or corporation to whom the permit was issued for the moving of such structure, or section or portion thereof, and the person, firm, or corporation to whom such permit is issued, shall upon demand, pay to the Street Superintendent of the City of Torrance a sufficient sum to cover all such costs. Upon failure to pay any such sum, the same may be recovered by the City of Torrance in any court of competent jurisdiction, together with the costs of bringing the action.

Section 4. It shall be unlawful for any person, firm or corporation, moving or causing to be moved, any tank, building, or any section or portion thereof, over, upon, along or across any public highway, road, street, alley or other public place, to fall, refuse or neglect to keep a red light burning at all times between sunset and sunrise at each corner of such structure, and at each corner of each such section or portion of any structure, while the same, or any portion thereof, is located in or upon any public highway, road, street, alley or other public place.

Section 5. Fees. Upon application to the Street Superintendent or Building Inspector for a permit to move a structure or building, or portion of building, as set forth in sections of this ordinance, such applicant shall pay to the City of

Torrance fees as follows, to-wit: For any tank or any building, or section of building four (4) rooms or less \$1.50 For a building of five (5) rooms or more \$2.00

Section 5. Any person, firm or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not less than ten dollars (\$10.00) nor more than two hundred dollars (\$200.00), or by imprisonment in the City Jail for a period of not less than five (5) days nor more than one hundred (100) days, or by both such fine and imprisonment.

Section 6. The City Clerk shall certify to the adoption of this ordinance and shall cause the same to be published once in the Torrance Herald, a weekly newspaper printed and published in the city of Torrance, and thereupon and thereafter the same shall be in full force and effect.

Approved:  
JOHN DENNIS,  
Mayor of the City of Torrance.

Attest:  
A. H. BARTLETT,  
City Clerk of the City of Torrance.

State of California, County of Los Angeles—  
I, A. H. Bartlett, do hereby certify that I am the City Clerk of the City of Torrance, and that the above ordinance was regularly introduced at a meeting of the City Council of said City of Torrance on the 26th day of Feb. 1929, and was adopted on the 5th day of March, 1929, at a regular meeting of said council.

Dated this 5th day of March, 1929.  
A. H. BARTLETT,  
City Clerk of the City of Torrance.
